TOP NEWS

Google To End Forced Worker Arbitration, Class Action Waiver

Google LLC said Thursday it will end forced arbitration requirements and class action waivers for its employees, following its announcement in November that it would no longer require workers to arbitrate sexual harassment and assault claims. Read full article »

Jackson Estate Says HBO's 'Neverland' Violates '92 Deal

Michael Jackson's estate said HBO's airing of the forthcoming documentary "Leaving Neverland" violates a non-disparagement clause in an agreement the parties signed in 1992, according to a petition for arbitration submitted in California state court Thursday that is claiming more than $100 million in damages Read full article »

IRS Worker Charged With Leaking Michael Cohen's Bank Info

A complaint against an analyst in the IRS' criminal investigation division was unsealed Thursday, revealing charges that he unlawfully disclosed confidential banking information related to Michael Cohen from when he served as personal attorney for President Donald Trump. Read full article »

Analysis

US-Calif. Emission Talks Breakdown Could Spark Legal War

The Trump administration on Thursday dramatically ended negotiations with California over a controversial proposal to roll back greenhouse gas emissions standards for automobiles and revoke the Golden State's special permission to craft its own limits, setting the stage for an imminent legal battle royale. Ford Urges Judge To Toss Defective Truck Engines Suit

Ford asked a California federal judge Wednesday to toss a suit alleging the company sold vehicles it secretly knew had defective diesel engines, arguing the drivers who filed the case fail to show the "who, what, when, where, why and how" that constitute legitimate fraud claims. Read full article »

PRIVACY & CONSUMER PROTECTION

Facebook Can't Avoid Targeted Ad Campaign Class Action

A California federal judge has refused to toss a proposed class action accusing Facebook Inc. of deceptively promising that advertisers can choose targeted audiences for ad campaigns, saying at this point in the case, the allegations are enough to show the public could be deceived by the social media giant. Prosecutors Broke Law In Epstein Plea Deal, Fla. Judge Says

Prosecutors, including then-U.S. Attorney and current Labor Secretary Alexander Acosta, violated the Crime Victims' Rights Act when they signed a non-prosecution agreement with billionaire sex offender Jeffrey Epstein without notifying his victims, a Florida federal judge ruled Thursday. Read full article »

Litigation Funders Push Back On Proposed Disclosure Rules

A group of litigation funding companies has fired back at groups advocating for proposals that would require litigants to disclose third-party funding arrangements, telling federal court administrators the change was unnecessary and calling a recent letter in support of it a "PR stunt." Read full article »

Bracewell Alum, Ex-Justice Tapped For Texas High Court

Texas Gov. Greg Abbott on Thursday tapped a Bracewell LLP alumnus and former justice of the Fourteenth Court of Appeals in Houston to become the ninth justice on the Texas Supreme Court, pending confirmation by the state Senate. Read full article »

EY Continues March Into Legal Market With Global AI Deal

EY Law this week shared its plans to begin using artificial intelligence company Luminance across its global network, as the Big Four accounting firms continue their expansion into some of the legal services traditionally handled by law firms. Read full article »

Gov't, Atty Square Off Over PACER Fees For Court Opinions

A Florida attorney and the federal government on Wednesday clashed over fees for accessing certain documents through PACER, with the attorney arguing they amount to a breach of contract and the government saying while court opinions are usually free, it's up to the judge to determine what
